No building structure or living accommodations of any type shall be erected, altered, placed or permitted to remain on any lot other than one detached, single-family dwelling not to exceed two stories in height. All buildings shall be of recognized standard construction, and no building shall remain uncompleted for more than one year after construction has been commenced.

A copy of the construction plans and specifications and a plan showing the location of the struc-

The Committee's approval or disapproval as required in these covenants shall be in writing. The decision of the Committee shall be rendered at the earliest practicable date but in no event later than twenty (20) working days subsequent to initial receipt of plans and specifications and location plan. A copy of the plans and specifications and location plan shall be delivered to the Architectural Control Committee at the office of the Hy-Land North Joint Venture offices at 8711 North Lamar, Austin, Texas, not less than twenty-five (25) days prior to the date construction is commenced. In the event the committee, or its designated representative, fails to approve or disapprove within twenty (20) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

side lot line, and the total combined distances between the two sides of the building and the two side lot lines shall be at least twenty (20) feet. No building shall be located nearer than twenty-five (25) feet from any rear lot line on any lot. For purposes of these covenants, eaves, steps, and open porches shall not be considered as part of a building; provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

B-5. Fences, Wall, Hedges. No hedge, fence, or wall may be erected, placed, or altered on any lot nearer to any street than the building set back line on that lot, unless approved by the Architectural Control Committee.

The same sight line limitation shall apply on any lot within ten feet from an intersection of a street property line with the edge of a driveway. D.

D-1. Term. Hy-Land North Joint Venture may by appropriate instrument assign or convey to any person, organization or corporation, any or all of the rights, reservations, easements and privileges herein reserved by it, and upon such assignment or conveyance being made, its assigns or grantees may at their option exercise, transfer or assign such rights, reservations, easements and privileges or any one or more of them at any time or times in the same way and manner as those directly reserved by them or it in the instrument.
